SunLove Festival Mission:

A unique outdoor festival bringing together a vast array of natural health, art, spirituality, music, and culture, in a health-inspiring, consciousness-supporting, educational and fun event. The SunLove Festival gathers many compassionate organizations and raises funds + awareness of humanitarian, environmental, and animal protection organizations. Offering rich resources for people of all ages interested in wholistic health and spiritual consciousness, it provides an opportunity for all to nourish our bodies and spirits and celebrate life.
